

FORM OF SUBSCRIPTION FOR THE AAA- ASSOCIATION for ORGANIZATION of ACTIVITIES
L'ASSOCIATION POUR L'AGENCEMENT DES ACTIVITES – AAA

AAA?

AAA is engaged in promotion of young artists as well as the production of art works. Supporting AAA you simultaneously support OUI, the center of contemporary art in Grenoble which is dedicated to young creation and managed by the association.

OUI?

OUI involves an old garage that was fulfilled with strange objects before it was deformed into an exhibition space of about 180 m2. OUI proposes thematic curatorial projects on questions that thread the contemporaneity (for example exhibition LOW DEF from September to October 2007) but equally solo exhibitions of young artists whos' work shows serious dedication.

Subscribing to association you will not only help to finance the exhibitions and other events at OUI, but also to produce and promote the works created by the artists represented by OUI. Thank you!
